HISTORY COMMITTEE REPORT (Janice Marie-Gallof): See Attachment 6

OLD BUSINESS

- a. Covenant Vote Status:
 - 1) Sandy reported preliminary results indicating three subdivisions passed the proposed new covenants (Attachment 7).
 - 2) Dave asked how long we need to keep the received ballots. Steve replied we must keep the ballots and maintain them open for examination by homeowners.
 - 3) Dave stated we learned a lot of lessons during the process and need to record them in an after-action report.
 - 4) Dave stated that in talking to owners, he found many people either did not read the proposed Covenants or did not understand them.

NEW BUSINESS

- a. 2019 Planning (See Attachment 9 for list of options): Steve stated our main goals ars to build community and getting neighbors to know each other.. He mentioned garbage service, newsletters and parties as means to do this. Steve also stated we need backups/redundancies for the people working for the HOA. We also need new energy/new people. We need to reach out to people who want to volunteer. All agreed the top three areas for 2019 are 1) Social, 2) Trash Service/Membership, and 3) Safety.
 - 1) Budget
 - a) Marty presented the proposed 2019 Budget (Attachment 8)
 - b) Vonney stated the proposed budget should balance. Sandy suggested reducing the Covenants Compliance Committee budget by \$100 to balance the budget. All agreed.
 - c) Steve stated that maybe, due to efficiencies, we can reduce some costs.
 - d) Janice stated we need some funds for the History Book as proposed. Janice further stated it is up to the Board to decide the way ahead for the History Book.
 - 2) Social
 - a) Vonney suggested combining Social and Welcome. All agreed.
 - b) Steve mentioned that other communities have an annual parade (some have it on the 4th of July) to bring the community together.
 - c) Some suggested Social events were a Welcome package, a Night Out event, and Block parties.
 - d) A Garden Club was also mentioned in building community. Steve mentioned that Phelan Gardens assists communities. Utilities also advises on how to create xeriscaped yards.
 - e) Marty stated that the Board should only provide oversight, not run the committees.
 - Steve stated he would like all committees to report their progress at the Annual Owners Meeting.
 - g) Steve suggested working with Waste Connections as part of a Neighborhood Cleanup effort.
 - 3) Trash Service/Membership
 - a) This effort will include trash service signup maintaining the Owner database and increasing the number of dues paying Owners.
 - b) Marty will take the current database and identify who we need information from.
 - 4) Safety
 - a) Steve stated this needs to include Crime Awareness (i.e., what criminal activities are occurring in our neighborhood and what we can do to mitigate them).
 - b) Safety efforts also include Fire Mitigation and helping seniors (e.g., snow removal and fire mitigation).
 - c) Steve suggested working with Utilities to promote LED bulbs for dusk to dawn lighting. He stated many areas are dark with no lighting and porch lights would mitigate the darkness issue.
 - 5) Marketing Materials
 - a) Includes the History information, Welcome Package, the neighborhood/HOA story, and possibly a neighborhood Cookbook (as a fundraiser).
 - b) Steve stated the History Committee needs to figure out how to publish the information they have gathered.
 - c) Vicki suggested the Welcome Page be a pdf file that we can send to new owners rather that a hard copy document.

- d) Vicki suggested making the History Book a pdf file and notifying Owners of its availability via the Web page and Newsletters. Owners could them request to receive the History Book via email or, for those without email, a printed copy. This could significantly save printing costs.
- e) Steve asked the History Committee to, within 60 days, figure out how to produce the History Book.
- b. Covenants Way Ahead
 - 1) Ballot Validation Process: Steve will look at Aaron Goodlock's (our lawyer) email on this subject for guidance.
 - 2) Covenants Compliance Committee
 - i. Steve stated the Non-Profit Act says HOAs should support Covenants.
 - ii. Committee membership discussion was deferred to next Board meeting.
 - 3) Operating Instructions/Bylaws -Deferred to next Board meeting

The meeting was adjourned at 7:15 PM.

The next regularly scheduled meeting will be: **Tues**, **8 January 2019 at 5:30 pm at the Ascension Lutheran Church**, **2505 North Circle Drive**, **Colorado Springs**, **CO 80909**.

Respectfully submitted, Sanford Gallof, Secretary CCHOA BOARD

ATTACHMENT 6 HISTORY COMMITTEE REPORT

The History Committee met November 26, 2018 at 7 pm at 2847 Marilyn Rd. Present: Janice Marie-Gallof, Chair; Deb Berwick; and Judie Werschky Absent: John Potterat (unavoidable)

Janice reported that at the CCHOA Board Meeting on 10/9/18 she asked whether the Committee's final document should be published online at the HOA's web site or in paper copy. Board members expressed concern for the personal identity of single elderly homeowners being exposed, especially if their address in included. After a very brief discussion, the Board president requested that this decision be delayed until the December Board meeting at which time the Board will be establishing the HOA goals for 2019.

Deb suggested that that a small number of the final document be printed and made available at a minimum charge to determine homeowners' interest. Perhaps this would avoid the major expense of printing 316 documents for all homeowners.

Deb agreed to contact Sharon Young to obtain a signed release form. She also agreed to try to obtain Elsie Gonsholt's final interview which Elsie preferred to rewrite.

Judie mentioned that she just learned of a state organization, Territorial Daughters of Colorado, to which anyone may belong if any of their relatives lived in Colorado before statehood was achieved. She wondered if anyone in our area might qualify for this distinction.

Committee members decided that a December meeting would not be held but we would meet in January; the specific date would be determined after John's input.

Judie will not be available to meet in January or February due to planned trips. However, she could be contacted via email in December and February.

The meeting adjourned at 8:15 pm.
